LIVE AND LET LIVE FOLKS.

### WHERE IS THE FAULT?

Quite a number of people living on the Lexington road have complained that they are not getting their paper regularly.

### HORSES AT AUCTION

Mules have gotten so high, those that are not already supplied, can have the opportunity of buying a good work horse at public auction next Tuesday at W. B. Burton's barns. Read the advertisement on the back page of this issue.

### TAKES OATH ON SUNDAY

It has been definitely decided that President Wilson will take his new oath of office in private in the White House Sunday. A State Department ruling made clear that the President could wait and not take oath until March 5th, if he chooses to do so.

### OUR FORCE INCREASED

A valued typist and expert job man has been added to the Record office in the person of Mr. Ennis Perkins of Georgetown. If his works come up to his looks and gentlemanly bearing, we are going to mail him to a stool and ask others to keep hands off. Our thanks for this new acquisition are due Mr. Jess Alverson of the Georgetown News.

### WELCOME DAUGHTER

Charles have been received announcing the arrival of Josephine Davis, in the home of Mr. and Mrs. Charles Davis of Chattanooga Tenn. The proud parents are no prouder of this acquisition than is the grandmother Mrs. Lizzie Joseph. The Central Record extends congratulations.

### COLORED MAN DEAD

Uncle Seymour Hyatt an honored colored citizen of Lancaster died at his home Sunday night. Uncle Seymour had for years been the "grave digger" at the Lancaster cemetery, but the task he so often performed for others has been performed for him. "Sic transit gloria mundi". No doubt "Uncle Seymour" had often meditated upon the uncertainty of life and the great leveler death as he went about his daily work. "Death makes us equal, the high and the low," hence to his ashes.

### MADE MANY FRIENDS

The new owners of the Interior Journal, Messrs J. H. Wright and E. C. Walton, were shaking hands here last Monday and meeting with a hearty welcome. The junior member made a favorable impression here and we predict for him the same popularity and cordial welcome that has always been accorded the senior member, Mr. Walton. Go to it boys, the "water is fine" and we greet you most heartily and trust that your highest anticipations for the success of the Interior Journal may be fully realized under your leadership.

### EAST.

Mr. Owen East died at his home at Buckeye, Feb. 23rd, and was laid to rest in the Buckeye cemetery Sunday. Mr. East was born Oct. 13 1853, in the section where he has always lived and where he was buried.

He leaves a wife, ten children, three brothers and one sister to mourn his loss, his brothers are: Messrs Cal, Pan and Tom East, his sister is Mrs. Sallie Hart.

Mr. East had been in poor health for some time, but death came unexpectedly as he was taken suddenly ill while watching his boys play, he was taken to the house and died the following day. Much sympathy is extended the family in the loss of their loved one.

### AUTO'S IN DEMAND HERE.

Last Monday brought almost as many auto buyers to town, as auto buyers and nearly as many changed hands. The result of the days sale being fifteen by our local dealers. Haselden Brothers who handle the popular Ford, succeeded in finding new homes for eight, and report it one of the best days since they have had this agency. Kinnaird Bros. didn't let any grass grow under their feet and at the end of the day had placed five of their handsome cars, three Hupmobiles going to John Cress, W. O. King and G. B. Swinebroad. Their new Dodge car attracted much attention and one of these was sold during the day to Mr. Arch Stevens. Hon. H. C. Kaufman bought a slightly used Ford car from Kinnaird Brothers, formerly the property of Prewitt Thompson. Walter Hammack who has the agency for the Chalmers, sold a handsome touring car of this make to Mr. J. E. Anderson, of Point Leavelle, and a Maxwell to another party, whose name we did not get.

All these agencies are carrying advertisements in every issue of the Record which are bringing them good results.

### EUGENE BERKELE

#### ANNOUNCES.

In this issue of the Record we have the announcement of Mr. Eugene Berkeley, for the Republican nomination for Assessor at the coming primary in August next. Mr. Berkeley is well and popularly known throughout the county, especially in the Hyrantsville section where he has lived all his life. He is an ardent republican and has worked faithfully for his party since he reached his majority. He has many friends in the Republican ranks who will pull hard for his nomination and election, and feel if so honored will make a good official.

#### WANTS MONEY

##### To Maintain Forces For Protection

President Wilson appeared before congress Monday afternoon and asked for authority to place the United States in a state of "armed neutrality" to resist the German submarine menace. Continued invasion of the plain rights of neutrals in high seas, further sacrifices of American lives and ships, the intolerable blockade of American commerce almost as effectual as if the country were at war—have taken the place of a dreaded "overt act" which was expected to shock the world—and have forced the President into the next step toward war. President Wilson, asking to be empowered to take whatever steps are necessary, which include the arming of ships, the conveying of merchantmen by war vessels or what other steps are necessary, made it plain again that he wanted peace, but not at the price of American lives and rights or by driving the American flag from the sea. With a full realization of the solemnity of the occasion the President took his action with the calm confidence that Congress and the country will stand behind him.

**Ford**  
THE UNIVERSAL CAR

320,817

Have been built and actually delivered to retail buyers since August 1, 1916.

These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for Ford cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing Ford cars. If, therefore, you are planning to purchase a Ford car, we advise you to place your order and take delivery now.

Immediate orders will have prompt attention. Delay in buying at this time may cause you to wait several months.

Runabout \$345. Touring Car \$360. Coupelet \$505. Town Car \$595. Sedan \$645. F. o. b. Detroit. HASELDEN BROS.

If the high cost of white paper interferes, love letters can be just as silly on any other color.

Is the "Lacoma crisis" the expected "Overt Act"? You needn't answer, we are just asking for rhetorical effect.

England has evidence of the extreme state of things in Germany and Austria, according to Lord Robert Cecil, Minister of Blockade. He said there had been many food riots and clothing and hoots are being made from paper.

Since the break in diplomatic relations with Germany the United States has displayed more real, genuine patriotism than at any time since the Spanish-American War. The stars and stripes are flying from many buildings in our cities, and a feeling of intense uncertainty prevails. In this connection it should be mentioned that it is surprising how few people know the words of the "The Star Spangled Banner," our national anthem. Many do not even know who wrote it and amid what surroundings. It should be taught in every school room and children of every age should know it.

The Kentucky farmers will be hurt by the wheat and oats crop shortages.

Where you now use from three to four horse-drawn teams, one Smith Form-a-Truck will easily do the work. Loaders' and drivers' wages are saved. The men on the loading platform work steadily and earn money for you instead of wasting it waiting for slow moving teams to get back.

#### Horses Must Rest

Your excessively large, horse-drawn equipment costs you money for upkeep on working and non-working days. Stabling, feed, veterinary bills go on all the time—and for steady service all day you must have extra equipment to give the horses a rest.

#### Expense Stops

Smith Form-a-Truck costs nothing to maintain when it is not working. Stop the motor and the expense stops until you start it up again. There is no non-production expense. And the actual cost

of maintenance when Smith Form-a-Truck is running is not over half as much for horses, but less than for any other form of hauling or delivery.

#### A Big Guarantee

And you can put Smith Form-a-Truck at work in a few hours. Simply attach it to any Ford, Maxwell, Buick, Chevrolet, Dodge Bros., or Overland power plant. The truck construction is permanent—fully guaranteed—the mechanical equal of the highest priced truck you can buy.

#### Rear Axle Carries Load

You know the service value, the economy standard of the famous power plants with which Smith Form-a-Truck can be used. And the power plant only pulls the load. The Smith Form-a-Truck carries it—90% of the entire load rests on the sturdy Smith Form-a-Truck rear axle.

#### Be One of 30,000

Don't put up with wasteful expense in your hauling or delivery for another day. Get your order in for Smith Form-a-Truck now. Be one of the 30,000 sure of getting delivery this year. Join the 10,000 present satisfied users.

If you have any doubt, ask for a demonstration. It will be a revelation to you to see the actual money saving Smith Form-a-Truck will make for you.

### CAN'T DO THE WORK.

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Parker Jenkins, stationary engineer, Water Works Road, Lancaster, says: "My work calls for a lot of stooping and bending and this caused my kidneys to get out of fix. I had dull pains across my back and loins. My kidneys acted too frequently and then again were sluggish, and the secretions contained a brick-dust-like sediment. I used Doan's Kidney Pills, that I bought at E. E. McRoberts' Pharmacy. The backache left me and my kidneys became normal."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jenkins had. Foster-Millman Co., Props., Buffalo N. Y.

been postmistress here for some years. The wedding was received here as a very great surprise, as she left here saying that she was going to the inauguration. This couple have been sweethearts for a number of years.

Mrs. Sallie Cumley, died at the home of Mrs. Sallie Scott on last Thursday after an illness of bronchial pneumonia. Mrs. Cumley had made her home with Mrs. Scott for many years and will be greatly missed in that home as well as in the entire neighborhood. The deceased was 51 years old and a daughter of the late John Todd. Burial occurred in the Goshen cemetery Saturday afternoon after short services by J. C. McClure.

A very great surprise was had here Saturday afternoon when it became known the Interior Journal had changed hands. S. M. Saulley who has been Editor of the paper for something like seven years, has never allowed an opportunity to pass that would enable him to raise the standard of this paper. He was ever "on the job" and has a host of friends who regret to see him leave the I. J. The owners of the Interior Journal now are E. C. Walton and Jas. H. Wright. Mr. Walton, who sold this paper to Mr. Saulley, is widely known and is being given a hearty welcome back to Stanford, where he has spent the greater portion of his useful life. Mr. Wright came to this place some years ago from Lebanon Tenn., and up until a short time ago owned and operated one of the best bluegrass farms in Lincoln county. It goes without saying that these two men will give the people the best that they have. Mr. Saulley has not decided what he will do but it is hoped by his many friends that he will not leave this community.

# TO THE REPUBLICANS OF GARRARD COUNTY.

I am a candidate for the Republican nomination for Assessor at the primary to be held August 4th 1917.  
I have always lived at Brynntaville, Garrard county, and been a life long republican. My father, Wm. Berkeley, worked for the republican party and for Garrard county all his life, having served the county as Magistrate, member of the Legislature and delegate to the late Constitutional Convention of the state of Kentucky. I have been a farmer all my life, and if elected I will do my best to serve the people according to law and to the best of my ability.  
Eugene Berkeley.

The ceremony was performed by Rev. B. J. Bush, pastor of the Second Presbyterian church of that city. The wedding was witnessed by Mrs. H. J. McRoberts and Miss Annie D. ## OLD MULE SELLS FOR \$2.50

Three Days Later Brings \$50.00

That mules are advancing rapidly in the Giles neighborhood in this county, is evidenced by a trade that was made there last week. The facts in the case were about these, and Walter Lackner, who lives in that neighborhood, is responsible for it. Louis McCulley owned a mule, and we judge a very old one, that he sold to Wiley Burton for \$2.50. Burton is known as a very thrifty trader and always sells at a profit, anything he buys. He interested Henry Teater in the mule and sold it to him for \$3.00. In the meantime a great demand developed in this neighborhood for these popular hybrids and Teater soon found another sale for his mule in the person of Joe Gill, whom he persuaded to buy the mule at a price said to have been \$50.00. Teater is \$17.00 to the good and we presume the way other mules have advanced around here that Joe Gill got a bargain after all.

## KAUFFMAN RESOLUTIONS

## BEATS HIS ALARM CLOCK TO IT NOW

Pressman Jumps Out of Bed With Old Time Vigor.

## TANLAC GAVE HIM NEW ENERGY

When the alarm clock rang this morning did you bound out of bed, eat a good breakfast and leave "no and ready for your work?"

Not if you felt like Edward E. Schwandt, pressman, 3200 Tampa ave.

EDWARD E. SCHWANDT.

nue, Cleveland, used to feel. Here is the story in his own words:

"The last year was a trying one for me. My health had been steadily on the down grade. Often it would be 1 or 2 o'clock before I could go to sleep. I got up in the morning almost as tired as when I went to bed. "During the day my stomach bothered me. After eating I had a heavy bloated feeling. I was tired all the time and didn't have any ambition. My nerves were upset. My body ached. At times my feet were so sore I could hardly bear my weight upon them.

"I couldn't get relief. Finally I tried Tanlac and right then and there I began to get better. My worries are all over now. I go to bed and never wake up until morning. My aches have left me. I have a splendid appetite and am able to satisfy it, too,—no food disagrees with my stomach.

"I am glad to say a good word for Tanlac and honestly believe that it will do for other people what it has done for me."

Tanlac is being introduced in Lancaster at R. E. McRoberts.

Tanlac may be obtained in the nearby cities, Paint Lick, J. N. Metcalf; Bryantville, Becker & Ballard; Little Hickman, Collier and Bruner; Berea, S. E. Welch; Stanford, Penny's Drug Store; Junction City, Reynolds and Evans; Richmond, H. L. Perry & Son; Crab Orchard, Lyle Bros.; Burgin, G. T. Schofield; Danville, John S. Wells; Lancaster, R. E. McRoberts, and W. T. West, Silver Creek. (Advt.)

## THE McROBERTS DRUG CO.

Atlanta has, in R. W. McRoberts, of the McRoberts Drug company, 26 Lackey street, one of the youngest men in America to head a large, wholesale drug business. When Mr. McRoberts organized his company three years ago he was but twenty-seven years of age. Starting with practically nothing, by dint of hard work and earnest application he has built up one of the finest businesses in the south. Three years ago all deliveries to the local druggists were made by one lone team on a bicycle. Today they are made by three large high-powered automobile trucks and instead of buying bottles a case at a time as in the early days, they now arrive in carload lots. Such a remarkable development can only be attributed to splendid business acumen, hard work and complete sympathy between company and dealer combined to a degree that is seldom found nowadays. The McRoberts Drug company, have always put the dealers interest foremost. They are the only house in this section of the country dividing their profits with the druggists. This co-operative system enables their customers to buy considerable cheaper than elsewhere, and in many cases for even less than they could get the same goods from manufacturers. The McRoberts Drug company are the exclusive distributors of several well known lines. They are also distributors of all kinds of druggists sundries, chemicals, glassware, patent medicines, etc. R. W. McRoberts is president and treasurer; R. E. McRoberts is vice president, and J. B. Mason is secretary.—Atlanta Constitution.

Mr. Benjamin Holtzclaw passed away at his home here Sunday, aged 75. He had been ill only a short time with bronchial pneumonia. He is survived by his wife, who was Miss Emily Wilkes, also four brothers and one half brother. After short services at the late home by Mr. J. C. McClary, of Stanford, a concourse of sorrowing relatives and friends followed the remains to their last resting place in the old Ashlock burying ground, near Buck's river, on the Lancaster and Stanford pike where the last rites of interment occurred. Deceased was an uncompromising Republican, a strict member of the Christian Church and a gentleman whom everybody liked. He served as a soldier in the Union army through the Civil war. May the soul be gently on his grave.

**THE STAR SPANGLED BANNER.**

By Francis Scott Key.

O say, can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming,  
Whose broad stripes and bright stars through the perilous fight  
O'er the ramparts we watch'd so gallantly streaming?  
And the rocket's red glare, the bomb bursting in air,  
Gave proof through the night that our flag was still there,  
O say, does that Star Spang'd Banner yet wave  
O'er the land of the free and the home of the brave?

On the shore, dimly seen through the mists of the deep,  
Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected now shines in the stream,  
'Tis the Star Spang'd Banner! O long may it wave  
O'er the land of the free and the home of the brave!

And where is that land who so vauntingly swore,  
That the havoc of war and the battle's confusion,  
A home and a country should leave us no more?  
Their blood has wash'd out their foul footsteps' pollution.  
No refuge could save the hireling and slave  
From the terror of flight or the gloom of the grave,  
And the Star Spang'd Banner in triumph doth wave  
O'er the land of the free and the home of the brave.

O thus be it ever, when freemen shall stand,  
Between their lov'd home and the war's desolation!  
Blest with vict'ry and peace, may the heav'n rescued land  
Praise the power that hath made and preserved us a nation!  
Then conquer we must, when our cause it is just,  
And this be our motto: "In God is our trust!"  
And the Star Spang'd Banner in triumph shall wave  
O'er the land of the free and the home of the brave!

Francis Scott Key, lawyer and poet, wrote "The Star Spangled Banner" on the back of an envelope during and after Fort Mifflin's successful defense of Baltimore from the British fleet in September 1814.

W ELD, children, the best picture you made was that of the ant and man's most faithful friend, the horse. It is true that today the automobile is doing much of the work that the horse once did for man. But, children, you do love a fine horse, don't you? Many rich people who own automobiles also keep their horses to go riding. Now, if you let your pencil run again from 1 to 2, 3, 4, etc., you'll find that you'll have a picture of one of the queerest looking animals in the world.

We will gladly print the names of all children who will take the pains to trace out the above picture. You will find it interesting and they will appear in every issue of the Record from this date. Who will be the first to send us or her name?

All the contestants must clip out the picture after being traced and mail to the Central Record, that we may see how well the work has been done.

Our school is now approaching the close of its fourth year. The teachers say that this is to be the best commencement program in the history of the school. We are now thoroughly convinced that the activities are essential to our school. There is no more gratifying sight to them than to see them so crowded with happy laughing boys and girls. The teachers are so prosperous now that they are willing for their boys and girls to have something a little better than their round parents had.
